LICL e-blast is additional information to Life News

Dear Defenders of Life:

Every one of us hopes to have a positive impact and leave a legacy for future generations. Most people mean to make a Will. It's just one of those things that keeps getting pushed aside.

May is Leave a Legacy Month and the Long Island Coalition for Life is offering you an opportunity for making it simple for you to prepare your Will.

Long Island Coalition for Life, Inc. has recently partnered with MyLegacyWill. You can secure your life-affirming legacy and give hope to future generations in a most meaningful way.

Through our partnership with MyLegacyWill.com, you can create a Will in about 20 minutes - in 3 straightforward steps.

And *write your Will completely FREE* by visiting www.mylegacywill.com/prolifeli.

By using the referral code (prolifeli), you can write your Will for FREE and also consider a legacy gift to the Long Island Coalition for Life, Inc. The LICL carries the pro-life message right here in your communities.
